

SPONSORSHIP

The Region of Waterloo Swim Club (ROW) is seeking your support for the upcoming 2024/2025 swim season. Our club is composed of dedicated swimmers of all ages and levels, ranging from beginners to elite athletes. ROW has been a staple in the Region of Waterloo for many years, providing a platform for young swimmers to develop their skills in a fun, competitive, and supportive environment.

By sponsoring ROW, you are directly impacting our athletes' and coaches' experience in the sport. Your sponsorship goes directly to supporting essential needs such as equipment for wet and dry training, coach development, and additional program support like nutritional seminars and sports psychology workshops. Your contribution ensures that every athlete and coach, regardless of their background, has access to the resources they need to succeed both in the sport and in their personal development.

ROW is a successful swim club with a strong history of developing swimmers from learn-to-swim to national and international competition. This year, we have over 300 members. Our athletes achieve personal bests and qualify for Olympic trials, consistently excelling at regional, provincial, and national championships.

PRINCIPLES OF THE PROGRAM

COMMITMENT TO EXCELLENCE

We offer top-notch instruction, training, and competition for all swimmers, from novice to champion, fostering commitment, dedication, and discipline in achieving personal goals.

INCLUSIVE COMMUNITY

We respect and celebrate diversity, teaching our swimmers to value all individuals, regardless of race, background, gender, or belief. We foster a high degree of sportsmanship and team spirit, both in and out of the pool.

HOLISTIC DEVELOPMENT

Our program offers opportunities for positive social interaction and emotional growth, ensuring that each athlete develops not just as a swimmer, but as a well-rounded individual.

COMMUNITY INVOLVEMENT

Our swimmers are encouraged to give back to the community that supports them, fostering a lifelong connection to the region and its values.
